

DUI/OVI Defense

In Ohio OVI cases, our main goals are always keeping clients out of jail and getting their lives back to normal as soon as possible. We have been very successful at getting licenses returned and drivers back on the road.

Drug and Alcohol-Related Offenses

We understand that substance abuse related offenses are embarrassing for clients and their families, so we act with the utmost sensitivity and discretion. In many cases, we can reach an agreement that allows our client to complete a course of drug counseling or treatment in exchange for the dismissal of charges.

Domestic Complaints

Domestic issues can be emotionally charged, so it is best to hire a litigator who can stay objective and follow the law. We have a great track record of successful outcomes in domestic violence cases.

Criminal Complaints

When you are facing criminal charges, it often feels as though no one is on your side. We handle criminal defense cases ranging from speeding tickets and minor traffic cases to serious felonies, including murder. We understand that there are two sides to every story. We are here to defend yours.

Possession and Drug Trafficking Charges

Our stance is always that you are innocent until proven guilty, and we will approach your case from that perspective. We will do whatever is possible to keep you out of jail and protect your reputation.

Other Serious and High Level Offenses

Our legal team has broad experience defending clients from serious charges including theft, burglary, vandalism, assault, robbery, sex offenses and murder. We will make sure that your version of the story carries as much weight as that of the prosecutor by thoroughly reviewing the evidence and looking for details that may work in your favor.
